100 Representatives Attend

Church of Christ Young People Spring Conference Held Here

"Preparing for the New Life" was the theme of the spring conference of the Young People of the Church of Christ which was held in Vulcan, March 22 to 24. There were close to 100 registered representatives from Edmonton, Calgary, Nanton, Lethbridge, Taber and Vulcan.

The Friday night session consisted of a sing song, devotional by the Vulcan teenagers and message by Larry Tease, a second year Alberta Bible College student.

Saturday forenoon was taken up with a workshop on "Preparing a Devotional," and a business meeting after dinner. Mr. Smart, a representative of the Alcoholic Foundation of Alberta, brought a very interesting and informative lecture on the problem of alcoholism.

The mid-afternoon was set aside for recreation. For this part of the program the Vulcan Young People had secured the bowling alley. The teenagers took good advantage of the opportunity to sharpen up their bowling technique.

The Saturday night banquet catered to by the Candlelight ladies of the Vulcan Church of Christ, proved to be one of the highlights of the conference. Following this the Tuxedo Park Teen Timers of Calgary presented an exceptionally fine devotional. The evening concluded with the showing of a fine film entitled "Miracles."

The Sunday session brought a fitting climax, with a morning worship service with over 200 in attendance, an afternoon session with message by George Chapman, minister to Parkhill Church of Christ, Calgary, and a capacity evening service, with the Lethbridge Y.P. presenting a fine devotional and the concluding message, which was delivered by W. J. Jessup, president of San Jose Bible College, San Jose, California.

The engraved shield which is given to the group presenting the best devotional and which was held by the Vulcan teenagers was awarded to the Tuxedo Teen Timers for their excellent presentation.

All the Young People left the conference Sunday night, filled with the anticipation of attending the fall conference sometime in November.

Good Deeds W.I. Hears Reports

The Good Deeds W.I. met at the home of Mrs. Ross Lyman on March 21. Eleven members and one visitor was present. Roll call was answered by the telling of Irish jokes with the prize going to Mrs. S. White for the best one.

The business part of the meeting included a report from the committee on the success of the pot-luck supper, and that the Vulcan West F.U.A. be asked to canvass the district for the cancer fund.

Mrs. C. Dennison, convener of citizenship, read a very interesting paper on accepting responsibilities. This was greatly appreciated by the members.

The tea raffle was won by Mrs. H. McMasters. A lovely lunch was served by the hostess, assisted by Mrs. A. Wylie and Mrs. C. Brown.

WMS Tea and Sale Successful

A very successful tea, sale of home cooking, aprons and candy, took place in the United Church Sunday School room, March 16, under auspices of the Women's Missionary Society of the United Church.

Those in charge were Mrs. G. Voisey and Mrs. M. R. Morrison of the apron and fancy work table; Mrs. C. Graham and Mrs. D. O. Jantzie, bake table; Mrs. E. Roebuck and Miss J. Roebuck, candy table; Miss L. Parslow, Mrs. D. Montgomery, Mrs. D. Brinker and Mrs. Giles, tea tables.

St. Patrick decorations were featured throughout. Many guests called during the afternoon.

Other assistants were Mrs. S. Clark, Mrs. F. Graham, Mrs. W. D. Allan and Mrs. J. C. MacMillan.

Tax-paid withdrawals of cigarettes for consumption in Canada in 1955 reached an all-time of 24,176,067,000.

Swimming Course Candidates Wanted

The Red Cross Swimming Instructor Training School will again be held in Calgary during the Easter holidays, April 22-27. Minimum age for instructors is 13 years, but Senior Leader candidates may enroll if they are 16 years old. The two courses will be run concurrently at the Y.W.C.A. in Calgary. In 1956, 231 students were enrolled and of these 209 passed.

Vulcan can send two candidates and persons interested in taking this course should see Bill Richardson immediately for application forms. Applications must be mailed by April 6 to A. G. Gilmet, Water Safety Service Director, 9931, 106 Street, Edmonton.

Shower Honors Eloise Whiteside

Honoring Miss Eloise Whiteside, whose marriage takes place on Saturday, a miscellaneous shower was held last Friday evening, in the United Church parlors, with Mrs. Ross Walker, Mrs. Harry Roebuck, Mrs. S. Joiner and Miss June Joiner as hostesses.

A very lovely decorating scheme was used of a colorful umbrella, trellis, overclimbed by dainty flowers and birds.

Two amusing contests, arranged by June Joiner and Evelyn McMullen, provided much merriment. During the evening Mrs. D. Paris played many delightful numbers on the piano.

A decorated parasol, filled with beautiful and useful gifts for the bride's new home, was brought in and presented by June. Assisting Eloise in opening the colorfully wrapped parcels were her mother and June. Evelyn was in charge of the shower book.

The bride-elect very graciously thanked her friends for their kind wishes and for the lovely gifts.

To conclude the evening, a dainty lunch was served by the hostesses.

MacEWAN'S HORSE TALK RECORDED HISTORICALLY

"Horses, past and present" — a commentary by agriculturalist Grant MacEwan on the history and present position of horses in western Canada — has been selected by the Historical Society of Alberta for reprinting and distribution to its members.

Originally prepared for presentation in his regular "Cominco Commentary" radio series, Mr. MacEwan's discussion on horses was heard locally early in January.

Copies of this or any of Mr. MacEwan's scripts may be obtained by writing to your local radio station or direct to the Consolidated Mining and Smelting Company of Canada Limited, Trail, B.C., who sponsor the "Cominco Commentary" series.

RECORDS — A FARM BAROMETER

Income tax time is rolling around again and it can mean a nerve-racking experience if proper records have not been kept. It's pretty hard to know what's what unless some sort of a guide is provided in which the various entries can be made throughout the year. Simplified yet adequate accounts are what a farmer needs, not only at this time of the year for income tax purposes, but whenever improvements or additions are desired. L. W. Rasmussen, Supervisor of District Agriculturists says, "Booklets which make accounting simple are available upon request from the Alberta Government Extension Service. For those who really want to delve into the subject, short courses on farm accounting are given at various intervals throughout the year."

Accounting is but one of the many important phases of successful farm management.

Newest Styles At Fashion Show

The annual spring fashion show put on by the Betty Ann dress shop and sponsored by the St. Aldhelm's Ladies' Guild, was held in the I.O.O.F. Hall Saturday, March 23, and as usual was very well attended.

Once again Mrs. Mae Todd, as a most able commentator, described each lovely ensemble as it appeared, and soft background music was played by Mrs. N. Dumka. A lovely spring theme, carried out in dainty lattice-work entwined with flowers, parasols and birds, was the work of Mrs. Concomore Allen.

The lovely new fabrics and colors rivaled spring itself. Suits, hats and accessories to charm the heart of any woman; gay bright cottons designed in summer frocks, featuring both the sheath and full-skirted mode; casuals and sports wear; stunning spring coats, play togs, both for the young and not-so-young, dainty silks; maternity wear, duster jackets and coats. Complementing each lovely outfit was the latest in colorful and striking costume jewelry from the Bassett Jewellers. Mrs. Don Mitchell was present and added suitable necklaces, earrings, brooches or bracelets, as the outfit required. Mrs. Charles Northcott, Mrs. Uretta McIver, Mrs. Ed. Richardson and Mrs. Wally Franks were in charge

of the changes of clothes and of selecting the correct accessories. Mr. Northcott operated a spotlight on each model as she appeared, showing to best advantage every lovely detail of the ensemble.

Those modelling were: Mrs. D. Giles, Mrs. P. G. Lucas, Mrs. Olive Douglass, Mrs. Bob Jamison, Mrs. S. Campbell; Mrs. Keith Fisher, Mrs. Ralph Clark, Mrs. Clayton Clark, Mrs. Dick Anderson, Miss June Joiner, Miss Kathy Nolte, Miss Anne Jamison.

Modelling the styles for youngsters for spring were Betty Ann Northcott, Barbara Schuler, Lynne Richardson and Arlene Anderson. Following the fashion show the ladies went downstairs to the dining room where tea was served by the members of the Guild.

THE WEATHER

Just as the roads and fields were drying up nicely about six inches of wet snow fell in most of the Vulcan district last Thursday and Monday evening, another four or five inches fell. Daytime temperatures have been in the 40 to 50 above range.

Happier people: Continuing the falling trend of the previous two years, the number of divorces in Canada in 1955 was down to 5,796 from 5,922 in 1954.

42 Candidates Receive Certificates

Civil Defence-Militia Rescue Course Was First Of Its Kind In Province

The first training course and exercise in rescue operations ever held in Alberta other than at civil defence headquarters in Edmonton was completed at Vulcan last Friday. It was another "first" in that it was a combined course for the local Civil Defence Unit and for a number of members of the local militia unit, "A" Company, Calgary Highlanders, with both Civil Defence and Regular Army instructors used.

The instructors, A. J. Henderson and J. Robertson of headquarters staff at Edmonton, and Sgt. Ron Hibbett of the Royal Canadian Artillery, Victoria, B.C., arrived in Vulcan three weeks ago to start the school. The course concluded last week with an afternoon exercise on Wednesday at the Mart Jose fire-damaged house and a night exercise at the Armouries on Friday.

Earlier Friday evening those taking the course, with their wives were guests at a banquet in the I.O.O.F. Hall. Attending the banquet were Hon. L. C. Halmrast, minister of agriculture and civil defence; Air Vice Marshall G. R. Howsam, provincial co-ordinator of civil defence; other provincial and local Civil Defence officials and officers of the Militia.

Every part of the County was represented in the rescue course, with candidates from the towns and districts of Vulcan, Champion, Carmangay, Milo, Arrowwood, Lamond. The course was under the direction of W. A. Shields, civil defence director for the Vulcan unit.

Shortly before 9 p.m. Friday, four simulated casualties were made ready and the rescue exercise was underway.

Smoke bombs and thunder-flashes added to the realism of the exercise, as rescue crews prepared to save two victims of a supposed fire in the Vulcan

Armouries. The two were badly "injured" and had to be removed on stretchers from a second storey window. Crews worked efficiently, following civil defence practices in securely roping the "victims" to stretchers and lowering them down the ladder by means of ropes.

Scene of the simulated disaster then changed to the nearby garage roof where an additional two "casualties" had been thrown by the imagined explosion. Here the ladder was planted erect and used as a pulley to lower stretcher cases by the use of ropes only. Casualties had been made up by the instructors to appear to have suffered serious burns and fractures.

Following completion of the final phase of the demonstration, A. V. M. Howsam presented certificates and civil defence buttons to the following 42 graduates:

R. D. Beagle, O. W. Blue, C. Budd, B. Brown, V. Culp, E. Emelson, S. Ganger, M. K. Goldthorpe, A. Grant, E. Henry, E. L. Knight, A. P. Metheral, A. G. Scott and his son, Queen Scout J. G. Scott, B. K. Daniels, C. E. Graham, C. Rhodes, A. Fisher, J. L. Findlay, E. Fontana, J. Jackson and Martin Matlock.

The group of Calgary Highlanders (Militia) who completed the course were from the Vulcan and Milo platoons of "A" Company and were Sgt. J. H. Northcott, S/Sgt. L. J. Smith, Pte. I. A. Sukut, L/Cpl. Hugh McPherson, L/Cpl. Ken Gatenby, Pte. Ross Best, Pte. Bob Petrosky, Pte. Ted Howlett, Pte. Bob Johnston, Pte. Don Larkins, Pte. H. Robertson, Pte. David Saxby, Cpl. C. E. Schneider, Pte. P. Sawicki and Pte. E. Zilkie.

Two of the militiamen, L/Cpl. McPherson and L/Cpl. Gatenby, will attend a week-long course in Edmonton early in April to qualify as instructors in rescue operations.

Negotiated Price Discussed

District 12 FUA Short Course At Parkland

The District 12 F.U.A. short course held at Parkland, March 22, was open to members of the locals in District 12 and a good representation was on hand for the opening at 10:30.

Taking a leading role in the short course was W. Moisey of Edmonton, newly appointed educational director of the F.U.A. Mr. Moisey, during his talk, explained by using charts the present F.U.A. agricultural policy of efficiency payments for agricultural products based on a negotiated forward pricing formula. This policy has developed in the last few years and is a change in agricultural farm policy towards a plan for a negotiated price rather than the one-time policy of a parity price.

Mr. Moisey also paid tribute to the F.U.A. leader, Arnold Plitt, saying that he was recognized as a symbol of Canadian agriculture.

Bill Logan, co-ordinator of organization for the F.U.A., explained the proposed egg marketing plan which has been sponsored by agricultural groups in the province. It is anticipated that this will come before the poultry producers in the form of a plebiscite this summer.

Mr. Hillerud, of the extension branch University of Alberta, laid out a plan for the re-charting of the district organizational setup, under which the officials could take more responsible positions in the educational work of their district. The member position in the organization was analysed and pointers given by Mr. Hillerud on how to make the best of the member to promote the organization.

Mrs. O. Douglass brought greetings from the F.W.U.A. executive and spoke on the support given by the F.W.U.A. to the Indians of Alberta in their recent difficulties.

Mrs. House, F.W.U.A. director, and George Loree, alternate F.U.A. director, reported on the F.U.A. delegation to Ottawa.

James Derrick explained the work of the policy committees set up by the provincial board to handle incoming policy resolutions and working them in to the present policy.

Shirley Burgess of Vulcan was

Henry Barclay Laid To Rest

A farmer of this district for many years, Henry K. Barclay, died at Quinter, Kansas, on March 19, at the age of 93 years.

Born in Perry County, Penn., in 1863, he spent his early years in Kansas, moving to Iowa after his marriage to Laura Jane Bistline. In 1910 they moved to Fowler, Kansas, in 1923 to Greenville, Ill., and in 1925 to the Vulcan district. He had spent the last four winters with his brother, Tom, at Fowler, Kansas.

Besides his brother, he leaves several nieces, nephews cousins and a host of friends. He was predeceased by his wife at Calgary in 1952 and by five brothers and sisters.

A niece, Mrs. Laura Wertz of Quinter, Kansas, accompanied by her husband George and son Ronnie, accompanied the remains to Vulcan. Mr. Barclay was laid to rest beside his wife in the Vulcan cemetery, with Rev. John Clarke officiating.

Champion Pioneer, John Fath Dies

Word has been received here of the death of John A. Fath, brother of Gregory of Vulcan and Steve and Louie of Calgary, formerly all of Champion.

John was in Alberta in the fall of 1912 and helped to build the first Catholic Church in or west of Champion known as the Fath Hill.

He leaves to mourn his passing his wife, Maggie, two sons, Leo and Peter and two daughters, Anna May and Josephine.

Introduced by Hartley McDonald as the Junior F.U.A. queen candidate for District 12. Support to make Shirley the provincial F.U.A. queen was solicited by Hartley.

Halmrast Says Government Would Be Evacuated

(By Del Koenig in the Lethbridge Herald)

Plans have been prepared for the evacuation of the government of Alberta from headquarters in Edmonton in the event of nuclear war, according to Hon. L. C. Halmrast, minister of civil defence and agriculture for Alberta.

The minister was banquet speaker at the windup of a two-day civil defence exercise in Vulcan Friday evening. Among the 135 attending were mayors and town councillors from the surrounding centres, in addition to 42 graduates of a three-week course in rescue training.

Mr. Halmrast spoke of the place of civil defence in the event of war, and told the group Alberta plans also to microfilm all important government documents and store them in a safe place so that in event Edmonton was bombed, the government could carry on its operations.

The federal government in Ottawa as well as the United States government is working on similar plans, he said.

Mr. Halmrast estimated a maximum of three hours warning could be given in the event of attack by planes carrying H-bombs over the polar route from Siberia. "I sincerely hope all provinces and municipalities realize the seriousness of this situation and do all they can to prepare civil defence groups," he added.

"Some say man would not dare to use the destructive weapons which have been developed, that I cannot completely believe."

"Looking back through history, man has used the most dangerous weapons he could devise in every war and I am convinced that unless men return to sanity, these destructive weapons will be used," the speaker said.

The minister spoke of President Eisenhower's forecast of the tons of nuclear force which could be dropped on this continent from a

Wins Expert Marksman Shield

David Mitchell of Vulcan, a member of the Calgary Highlanders Rifle and Revolver Club, was one of two Albertans and eleven Canadians from Manitoba Alberta and British Columbia to qualify this spring for the Dominion Marksman Expert Shield, one of the highest national awards for 22 rifle shooters.

The awards were announced this month by the headquarters of the Dominion Marksman organization. To win the shield, marksmen must post exceptionally high scores in the prone, sitting or kneeling, and standing positions. The Vulcan man, at present attending the University of Alberta, posted a total score of 5,931. The other Alberta winner, with a score of 5,910, was L. Bohmer of the Camrose Rifle and Revolver Club.

Regular Meeting Candlelight Circle

The March meeting of the Candlelight Circle was held at the home of Mrs. Eileen Haga. There were 23 members and four visitors present. The roll call was answered with each member giving a Bible verse pertaining to "faith."

The devotional for the evening was given by Mrs. Dorothy Chapman. It was very inspirational and was entitled, "We as Mothers are God's Babysitters."

The Haga sisters, Donna and Carolyn, favored the group with a lovely duet.

The contest for the evening was arranged by Linda Warden and won by Mrs. Elsey Hollister.

To bring an enjoyable evening to a close the hostess assisted by Belle Green, Mildred Martin and Mae Spaeth, then served a delicious lunch.

It's Automation

Thirty years ago and before that time, 40 to 50 or 60 thousand harvest hands used to converge on the prairie provinces of Canada each year to take off the harvest and do the threshing chores. Fifteen to twenty men made up a threshing crew.

Fifty years and more ago a lot of the breaking of the virgin sod of the prairies was done by huge steam engines pulling 14 to 16 plows and up to 20 to operate these behemoths of power required an engineer, a fireman, an engine tender, a waterman and a man on the plows.

Then came revolution. The combined reaper-harvester operated by one man took over the harvesting and threshing chores. One man, with the new machinery, did as much as 15 or 20 in the days of hard labor.

A previous revolution came along during the First Great War in the form of a gasoline-driven tractor, which has been followed by the diesel crawler-type of tractor that will pull a dozen plows or three drills during seeding and cultivation.

What would have happened to the farming industry of the west had it not been for the automation brought by the combine and the big tractor? The old farm couldn't have operated by hand labor in the face of today's wage and other costs. Farming would today be a dead issue without labor-saving machinery.

The recent rail strike, based on a battle against present-day automation, doesn't make much sense to the western farmer. —(Lethbridge Herald).

fleet of 1,000 long range planes now believed owned by Russia. Some of these bombs, he said, would inevitably land in Alberta and then civil defence would be a necessity.

In addition to its value as protection against nuclear attack, civil defence is valuable for combatting natural disaster and boosts fire protection in all areas of the province, he said.

In Alberta at present, he continued, over 3,000 persons are active in civil defence. Of the 300 municipalities in the province, 151 now have civil defence groups; province-wide communications system is connected; 3,354 auxiliary firemen have been trained; five fire pumps are in use; all fire hose couplings are now standard; 564 candidates have attended federal civil defence classes; 2,000 registered nurses now study civil defence practices and 39,000 citizens have been given ambulance training, he said.

Speaking at the presentation ceremony in the Armouries following the evening demonstration, Air Vice Marshall Howsam said:

The aim of civil defence is to save lives either in natural disaster or in the event of war. And if war does come, we can be very sure this continent, which has been the stronghold of democracy through two world wars will be a primary target.

"Our policy is to avoid war, but in event of attack we must be ready for immediate retaliation," he continued.

He spoke highly of the part taken by the army, not only in this exercise but in all civil defence activities and pointed out it will still be the military which fights the war. "But any nation can lose a war if it hasn't civil defence to keep up the morale and order on the home front."

AVM Howsam complimented the Vulcan county group on the splendid work they have done and promised that centrally located as it is, Vulcan can plan an important part in provincial civil defence.

In addition to the rescue course, a course in communications started before Christmas was completed this week. All 15 students graduated and will receive certificates and department of transport operator's licences at a later date.

Will YOU have an independent income?

Now is the time to arrange through a CANADIAN GOVERNMENT ANNUITY for the little it will take to brighten the days when you must stop working. You can purchase an Annuity NOW to come due at age 50, 55, 60 or 65, or other ages.

HERE IS AN EXAMPLE — Suppose you are a man of 28 and want an Annuity of \$100 a month, beginning at 65. Your monthly premium would be \$16.44.

AT AGE 65 the Government will begin paying you \$100 a month as long as you live! If you die within 10 years after age 65, the monthly payments will continue to your heirs for the balance of that 10 years. Thus, you will have paid \$7,299.36 for a minimum return of \$12,000.00 — which will be even greater if you live past 75!

IF YOU DIE BEFORE 65 the Government will pay your heirs the total sum paid up to the date of your death plus 4% compound interest.

There are several plans to choose from. For detailed information, consult your DISTRICT ANNUITIES REPRESENTATIVE, or mail the coupon below, postage free.

Lomond News

The new butcher shop had its
opening day in Lomond on Satur-
day of last week. Mr. Foreman, the
owner reported a very busy day.
A very welcome addition to the
town.

The regular monthly meeting of
the St. John's Ladies' Guild was
held at the home of Mrs. L. M.
Chase on Thursday afternoon,
March 21, with ten members and
three visitors present. The meet-
ing opened by repeating the Lord's
Prayer. Nominations were open
for president. Mrs. Ashley Hanna
was nominated by Mrs. Hanna;
she accepted and took over the
meeting. The members decided to
hold an afternoon tea, sewing and
bake sale on Friday afternoon,
April 26, at 3 o'clock in the
Lomond Community Hall. Plans
were made to serve for the next
Lions supper on April 16. Our sew-
ing is to be handed in at the next
meeting which will be held at the
home of Mrs. Ashley Hanna on
Thursday afternoon, April 18. A
very interesting contest was given
by Mrs. Ralph Chapman and won
by Mrs. Ethel Bolduc. To bring a
very pleasant afternoon to a close
the hostess and her assistants then
served a very lovely lunch.

Mrs. Guido Zambaldi spent last
weekend visiting her family and
friends in Lethbridge.

Mr. and Mrs. Juan Cortez and
Ramon accompanied by Diane and

Chase were visitors in Lethbridge

Lutheran W.M.F. News

The March meeting of the
W.M.F. was held at the parsonage
with Mrs. Foster as hostess and
was opened with the hymn,
"Beneath the Cross of Jesus."

Mrs. Foster gave the devotional
as Pastor Foster was unable to be
present. She continued with the
study of Paul's letter to the Phil-
ippians, followed by the hymn,
"Beautiful Savior."

The roll call was answered by
15 members turning in Mission
boxes, as March is the month for
Missionary work in the W.M.F.
There were also two visitors.

The reports of the secretary and
treasurer were disposed of in good
order. Mrs. Lena Huff reported
that the new doors, both inside and

outside entrance had been put in
since the last meeting and made
a very nice addition to the church.
It was also decided to put in in-
sulation on the entrance walls be-
fore covering them with plywood.
The church floor is also to be
painted as soon as the weather will
permit quick drying.

Mrs. McKay gave a reading on
work done by Lutheran Missions
in Japan, South America and in
Africa, and stressed the need for

more missions and money for the
work still to be done.

Four members gave in their
pennies for each year of life to the
"birthday box" and were rewarded
with the other members singing,
"Happy Birthday," to them.

The next meeting will be held at
the home of Mrs. Helen Walker on
April 17, with roll call to be an-
swered with a scripture verse
suitable for Easter.

The meeting was closed with the
hymn, "What a Friend We Have
in Jesus," followed by the Lord's
Prayer.

A very lovely lunch was then
served by the hostess, assisted by
Mrs. Ann Johnson and Mrs. Evelyn
Elliot.

Engle-Thorp

A wedding of interest to the people of the Vulcan and Ensign districts took place at the Carmion United Church at Sardinia, B.C., recently. In an evening ceremony, Muriel Joan Thorp, R.N., daughter of Mr. and Mrs. Eric Thorp of Ensign, became the bride of Walter Herbert Engle, son of Mr. and Mrs. Otto Engle of Chilliwack, B.C. Officiating at the ceremony was Rev. R. M. Goodwill.

The bride chose a hooped skirted gown of white tulle with princess lines, the neckline of net was embroidered with sequins and pearls. A tiara with sequins and pearls held her finger tip veil. She carried a fan decorated with red sweetheart roses and stephanitis. Miss Eileen MacKenzie, R.N., of Chilliwack, formerly of Calgary,

was the bride's sole attendant, she chose a blue nylon waltz length gown and carried a spring bouquet. Mike Stachera attended the groom.

During the reception many telegrams from relatives and friends were read. After a short honeymoon to coastal cities in Washington, the bridal couple will make their home at 112 Victoria Ave. W. Chilliwack, B.C.

Mr. Soli is able to be up again after spending some time confined to his bed at home.

They say, "Cheaper by the dozen." Just ask Randy Anderson, as he is an authority on this because Randy is the proud owner of 13 rabbits, a baker's dozen.

I don't think anyone was happier than Dawna Mae McCord was on Sunday when Sunday School time came along. About 10 o'clock when Dawna went out to play her mother asked her to stop at the church to see if the fire was still going. When she banged the church door the Yale lock sprung out and locked on her. After checking the fire she found out she was unable to reopen the door. She managed to open a window, but with the storm windows hooked she was unable to push the hinge out. At Sunday School time when the lock was stuck and the key wouldn't turn the teachers started to remove a window to release the button on the inside. It was then that Dawna Mae was seen standing by the piano. With instructions to her and with the aid of a key from the outside the door was opened. It was, no doubt, a long hour to her, but wasn't too upset as she knew Mommy would come at Sunday School time.
